**Subject:** RE: OR / EPA MDV discussion

Hi guys,

**Ex. 6 Personal Privacy (PP)** do you mind please conferring on the plan for this 11/18 call with OR, and then Libby can you please make sure that the HQ folks on the invite (Shari, Manjali, Melissa – are Jim and Corey included too?) understand the plan and can decide if they need to participate? If we stick with this call as scheduled, I'm thinking it would be helpful to discuss any significant public comments that OR received on the MDV (would be helpful if we can see those in advance) and/or discuss how OR plans to make changes to address our comments. But whatever you guys decide works for me, I just won't be around to help with any advance planning.

Thank you!

-Erica
